The Leland Southwest 1-600DA70-HTS Double Action Mixer

Everyone makes time for quality. But at Leland Southwest, our quality makes time for you. The Leland Southwest 600-pound mixer with our exclusive Double Action paddle assembly cuts mixing time to a minimum while ensuring a uniform blend. And those heavy loads will never be a burden. An independent hydraulic unit will lift the tank to any position for easy unloading of your 200 pound to 800 pound batch. Constructed in polished 304 stainless steel, the Leland Southwest Mixer is USDA-approved, NSF-listed and made in the United States. For quality and time, choose Leland Southwest.
